IN THE CLAIMS

Pleas amend the claims as follows:

- 1. Canceled.
- 2. (Currently Amended) The system of claim 10 further comprising: a mobile vehicle for collecting survey data in GPS format.
- 3. (Currently Amended) The system of claim 10 wherein said mobile vehicle carries said Real-Time Kinematic Differential Global Positioning System device an RTK system.
- 4. (Currently Amended) The system of claim 10 wherein the mobile vehicle is selected from the group consisting of: ATV'S, construction equipment, tractors, trucks, cars, boats, ships, helicopters, and airplanes.
 - 5. Canceled.
- 6. (Currently Amended) The system for managing drainage system design of claim 10 wherein the field computer management means is a laptop personal computer.
 - 7. Canceled.
 - 8. Canceled.
 - 9. Canceled.
- 10. (Original) A system for installing sub surface systems in a designated area comprising:
- a field computer comprising logic instructions for surveying and mapping a designated area with GPS coordinates;
- a Real-Time Kinematic Differential Global Positioning System device electronically connected to said field computer for collecting survey data points;
- an automated machine tool for installing sub surface components having a computer for controlling the grade according to an instruction set;

a management computer comprising logic instructions for preparing a contour map from latitude, longitude, and altitude coordinates, a sub surface system design, preparing an instruction set to control the machine tool grade, and calculating cost estimates for the sub surface system design; and

at least one I/O means for transferring data between the field computer, the management computer, and the automated machine tool.

- 11. Canceled.
- 12. Canceled.
- 13. Canceled.
- 14. Canceled.
- 15. Canceled.
